Cyprus through its main international airports in Larnaka and Paphos offers excellent travel connections with the entire world. Many international airlines (British Airways, Lufthansa, Aeroflot, Austrian Airlines, Aegean Airlines, LOT, Emirates, Qatar Airways and a large number of low cost airlines) hold regular flights from and to Larnaka or Paphos airports.

## 9. ENTRY VISAS

Cyprus is a full member of the European Union and some nations require visas to enter into Cyprus.

We strongly advise all non-European Union participants to verify well in advance whether they need a visa for entry into Cyprus, which **must be obtained from a Cyprus Embassy or Consulate abroad before arrival in Cyprus.** If necessary, the Cyprus Shooting Sport Federation will be ready to provide all participants with the necessary supporting documentation.

Detailed information regarding visas and formalities for entry into Cyprus can be found in the website of the Cyprus Ministry of Foreign Affairs, [www.mfa.gov.cy](http://www.mfa.gov.cy), at the '**Consular Information**' and '**Travel Information for Foreign Visitors**' subsections.

At least for the time being, no Siegen visas are acceptable unless they have been activated prior to arrival in Cyprus.

## 10. SHOTGUN PERMITS & CUSTOM FORMALITIES

Upon arrival at Larnaka or Paphos airports, shooters who are not in possession of an 'European Firearms Certificate' **must present** to Customs (Red Channel) the **Official Shotgun & Ammunition Form**,

duly completed, in order to obtain a temporary shotgun import permit, issued by Customs, for the duration of their stay in Cyprus. **No other procedure is required prior to arrival in Cyprus.**

Shooters holding an 'European Firearms Certificate' **should not** fill in the Official Shotgun and Ammunition Form. The only thing they have to do is to present their European Firearms Certificate at Customs (Red Channel) and simply verify the serial numbers of their shotguns only.

The temporary shotgun import permits or the 'European Firearms Certificates' must be represented to Customs at the special bulk-luggage checkpoint of the airport, at the time of departure after check-in.

**IMPORTANT for all shooters (EU or non EU members):**

The import of **12G Auto or Semi-Auto shotguns** is prohibited in Cyprus. Shooters, who intend to bring such shotguns for exclusive use at the competition, must contact the Cyprus Shooting Sport Federation **at least 45 days** before arrival in order to obtain a special shotgun import permit. The following documents must be submitted **a)** copy of passport **b)** copy of the 'European Firearms Certificate' (if any) **c)** details of the shotgun (manufacturer, model and serial number) **d)** a personal letter addressed to the Cyprus Police Authorities requesting the issue of a temporary shotgun import permit for participation at the Championship **e)** a letter from the local club (or national federation) certifying the applicant's membership with the club/national federation and his registration number.

## **11. STORAGE & CARRIAGE OF SHOTGUNS**

Limited storage of guns and ammunition will be available at the range. However, the police authorities permit all visitors possessing a temporary shotgun import permit or an 'European Firearms Certificate' to carry with them and store freely their shotguns in their hotel room or place of stay, during the period of their stay in Cyprus.

## **12. SHOTGUN AMMUNITION**

The custom authorities will allow all participating shooters to import with them all the necessary ammunition that will be used for the competition. Local made and imported cartridges (VICTORY, OLYMPIA, RC, B&P, CLEVER, FIOCCHI and others) will be available for sale at the shooting range at approximately €5.50 - €10.00 per box of 25.
