

ACCOMODATION

Malakasa Shooting Range (MSR) is located near Athens, a highly touristic area, with the peak season extending from May to September. While there are many hotels, furnished apartments, and villas within a 50 km radius of MSR, participants of the Compak Sporting should make their accommodation bookings as early as possible to ensure availability and secure the best possible rates..

We recommend the following areas (sorted by distance to PSC) for booking accommodations:

- **Nea erythrea**
- **Kifisia**
- **Oropos**
- **Kefalari**
- **Agios Stefanos**
- **Stamata**
- **Kalamos**
