www.ushelice.com

Thank you for your interesting in joining us for the 2026 United States Grand Prix and the 2026 Championship of the Americas!

The United States Helice Association, along with the National Helice and Sporting Complex is excited for you to join us in competition, fraternity, and celebration of the shooting sports.

Logistically, to assist our competitors from overseas, we know that navigating the US bureaucracy is challenging, and we are endeavoring to make it as simple as possible.

In order to receive your firearm import permit from the ATF, or to receive a physical visa (if you are from a non-VWP country), we will need you to fill out this form so that we can send you a nominative invitation letter:

<https://forms.gle/YvnYjz47JtbsU8GW6>

Once you have filled out that form, you should receive your nominative invitation letter in 3 to 5 business days.

Your next step is to fill out your firearms import permit (Form 6NIA) paperwork from the United States Department of Alcohol, Tobacco, and Firearms.

This form is found here:

<https://www.atf.gov/firearms/docs/form/form-6nia-applicationpermit-temporary-importation-firearms-and-ammunition>

Once you have filled out and signed that form, it is submitted via email to this address:

imports@atf.gov

There is no cost or fee to have this permit issued. The ATF tells you to expect processing to take 4 to 6 weeks.

Once you have received your approved Form 6NIA, you can travel to the United States with your shotgun.

If you require a visa to visit the United States, you can apply for a simple tourist visa (B-2), following the normal process. Please direct questions about the application process for a B-2 visa to the US Embassy in your home country.

We highly suggest flying directly to the Dallas / Fort Worth International Airport (DFW) if possible, as the Customs and Border Protection agents at DFW are familiar with the firearms import process, and should be able to handle it quickly and with little fuss.

If you have any additional questions or require additional assistance, please send an email to international@ushelice.com
